

Need a lending partner who's all about BUILDERS?

☸ *Talk To Us, We're FBC Builder*

- We're the **Home Builder's** lender, the mortgage partner that you need to protect your backlog and get your customers to the closing table *on time*.
- We create strategic alliances with builders like you, and can tailor a program for your unique requirements.
- Can't afford your "own" mortgage company? Let us show you how we can create a "company within a company" dedicated to you and your customers, without the cost or the liability.
- We're your alternative to the "big box" lenders, a lender with everything you need, plus the responsiveness you won't obtain from the large banking conglomerates.
- Need consistent communication and no surprises? We get that.
- Credit-challenged, or otherwise hard to qualify buyers? Talk to us.
